Please send completed forms (as word-document or pdf) to guidelines@eshre.eu before 1 April 2021. Handwritten forms will not be accepted.

All comments will be revised by the guideline group and assessed. If the comment is accepted by the group, it will result in a modification of the guideline. If not, the guideline group will formulate a reply. The details of the review procedure, the comments, modifications and replies, and the names of experts contributing to the review will be summarized in a review report which will be available online.
